QG1. Did you spend money on any of the following events over the last 7 days?
Enumerator, we do not ask details about the total amount spent now, they should be captured under 'transfers' (QH7.4) andin the expenditures section

QG1.1 Marriages and births outside the household (relatives, friends or neighbors)? ☐ *0…No, 1…Yes*

QG1.2 Death or funeral of a family member living elsewhere, so outside the household? ☐ *0…No, 1…Yes*

QG1.3 Death or funeral of friends, neighbors? ☐ *0…No, 1…Yes*

QG2. Did any of the following events happen over the last 7 days?
We would like to know the value of the lost output, i.e. the income that the household will not gain due to the loss. As an example: if one cow died unexpectedly, what was the value of the cow?
In case an event happened several times, ask details about all events. For example: if member 1 lost his/her job 6 days ago and member 3 lost his/her job 2 days ago, then record the information on losses for both.
Do not include:
- Goods bought because of a loss of crops, a loss of livestock, theft of household property (all of this will be captured in the expenses)
- Repair costs at the house due to theft, natural disasters, or fire
- Veterinary costs
