WE DO NOT RE-ASK ALL FINANCIAL QUESTIONS IN THE ENDLINE, AS IT WOULD BE MEASURED OVER A DIFFERENT TIME FRAME FOR DIFFERENT HOUSEHOLDS, WHICH IS NOT ENTIRELY CORRECT. WE CONSIDER THE LAST WEEKS OF THE LOGBOOKS AS THE LAST WEEK OF INFORMATION ON FINANCIAL ASPECTS. THE ENDLINE INTENDS TO MEASURE SOME INFORMATION WE WOULD LIKE TO HAVE A PANEL FOR (SO COMPARABLE TO THE BASELINE SURVEY) + TO GET SOME MORE INFORMATION THAT CAN BE USED FOR THE DIFFERENT PAPERS.

PEOPLE WILL BE INTERVIEWED AT THE SAME LOCATION AS THE LOGBOOKS

DEFAULT EXPERIMENT – ENDLINE HOUSEHOLD QUESTIONNAIRE

The respondent has to be the person that was selected to participate in the experiment.

Notes to the enumerator:

- *Ask the questions the way they are written; do not say what is written in italics, those are instructions for your purpose only.*
- ***Questions in bold + italic should not be asked, but copy pasted from the information sheet you received (be careful on the spelling!!!)***
- ***For questions in bold some information is available on the information sheet you received, but you should up-date it***
- *Wherever we are recording amount in Rs, record the actual amount as it is, e.g. Rs. 500000 and not Rs. 5 lacs*
- *Wherever there are skips to be followed, the same has been mentioned. When it is not mentioned, it implies that you have to continue. On template: skips will be done automatically, so every question that appears should be asked.*
